March 2003

Dear Friends:

It is my privilege to lend my support as Dinner Chair for the Judeo Christian Health Clinic's annual Testimonial Dinner to be held on Thursday, April 10th, at Higgins Hall. I am also delighted to announce that John and Susan Sykes have been chosen to receive the 2003 Humanitarian Award. It is with great enthusiasm that we celebrate and recognize these outstanding individuals for their many contributions to our community.

Since 1972, the Judeo Christian Health Clinic has provided free health care to the working-poor, a surprisingly large segment of our population today. Patients served at the Clinic have no health insurance and lack funds to pay a private doctor. These are residents of the Tampa Bay Area who work at low-paying jobs. They work and pay taxes, but after paying the rent and purchasing food and clothing, there simply is no money left over to pay for doctor's visits or hospitalization. They have no other resource for their health care needs.

The Clinic attends to more than 12,000 patient visits each year. Hundreds of doctors, nurses, pharmacists and others volunteer their time to help deliver free health care to the medically indigent of our community. All of this is accomplished with no United Way or public funding, for the Clinic solely relies upon its own fundraising efforts through the private sector to meet expenses.

I hope that you will join us in this gala tribute to John and Susan Sykes and at the same time, help to raise much needed funds for the Judeo Christian Health Clinic to continue its good work of providing free health care to the poor of our community.

Sincerely,

Msgr. Laurence Higgins
2003 Dinner Chairman
